Introduction Slide

Welcome to the *Stronger as One* tutorial on how to add participants to your course.

On the login page of the MHFA Instructor Portal, enter your **email** address and **password**.

A screenshot of the login page. At the top, it says 'Already Registered? Sign in with a local account'. Below this are two input fields: 'Email' with the text 'JaneDoe@YourEmail.com' and 'Password' with masked characters. There is a 'Remember me?' checkbox and two buttons: 'Login' and 'Forgot your password?'.

For your convenience, you can click on the **Remember me** checkbox. **Only use this option on your own personal device and not on public devices.**

Click on the **Login** Button. If you've forgotten your password, click on the **Forgot your Password** button to reset your password.

After you have entered your login information, you should now be at the home page of the MHFA Instructor Portal. To set up a new course, hold your mouse over the **Instructor Hub** tab. A drop down menu should appear. Click on the **Manage Courses** option from the dropdown menu.

This will take you to the **Manage Courses – Upcoming Courses** page where you can set up a new course. If you are unsure of how to set up a new course, please watch *Stronger as Ones*'s tutorials on how to set up an in-person, virtual, or blended course. Click on the orange **Add a Course** button to the right.

SLIDE 5

This will take you to the **Add Course** form. Make sure you have completed this form accurately and completely. You cannot add participants to your course until you have successfully completed this form. If you need additional support, please refer to *Stronger as One*'s tutorials on how to add a new in-person, virtual, or blended course.
