## In-Person Course Setup

### Introduction Slide

Welcome to the *Stronger as One* tutorial on how to set up a new in-person course.

### SLIDE 2

On the login page of the MHFA Instructor Portal, enter your **email** address and **password**.

A screenshot of the login page. At the top, it says 'Already Registered? Sign in with a local account'. Below this are two input fields: 'Email' with the text 'JaneDoe@YourEmail.com' and 'Password' with a series of dots. There is a 'Remember me?' checkbox below the password field. At the bottom, there is an orange 'Login' button and a 'Forgot your password?' link.

For your convenience, you can click on the **Remember me** checkbox. **Only use this option on your own personal device and not on public devices.**

Click on the **Login** Button. If you've forgotten your password, click on the **Forgot your Password** button to reset your password.

We can then move down to **Funding Source**. Click on the gray tab to the right of the box. A dropdown menu should appear. We're going to choose **Non-profit or Foundation** because *Stronger as One* is a grant-funded coalition.
