After you have entered your login information, you'll be at the welcome page of the MHFA LMS.

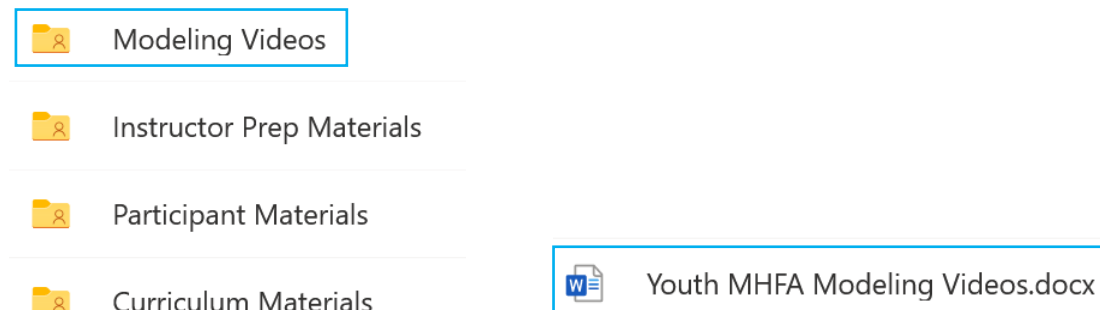

Scroll to the bottom where you will find the **Teaching Materials** section in the lower right corner. Click on the **Virtual/Blended Teaching Materials: Youth Mental Health First Aid** link.

SLIDE 4

Click on the **Modeling Videos** folder to find the **Youth MHFA Modeling Videos** Word document.

Click on any of the blue links and a Vimeo video should automatically load in your browser. This document provides links to all the videos related to teaching a Youth Mental Health First Aid course.

SLIDE 5

To return to your initial four folders, go back to the LMS page where you can click on the back arrow in your browser, or simply click on the **YMHFA Virtual_Blended Training Materials (Instructors)** link.

My files > **YMHFA Virtual_Blended Training Materials (Instructors)** > Modeling Videos 

SLIDE 6

Next, we'll go to the **Instructor Prep Materials** folder to access the **Exit Tickets_R_Fillable-v2.pdf** document. Typically, your class coordinator sends these to your participants prior to the start of your course. However, it's good to know where to find them, if you need them.
